The 26th Asia-Pacific Regional Social Work Conference Call for Posters

The Australian Association of Social Workers (AASW) is seeking Abstracts for posters from social work practitioners, students or other industry professionals, for the 26th Asia-Pacific Regional Social Work Conference 2021 (Brisbane, Australia) to be held from November 11-13 (online).

The conference will be delivered exclusively online, and broadcast to an online audience.

For social work students, who are undertaking research or other projects as part of their studies, this will provide the opportunity to contribute and participate in this key event in the social work calendar.

For other industry professionals, a poster presentation provides the opportunity to promote relevant work, engage with others who may have similar interests, showcase and exchange ideas about innovations and share learnings.

For all submitters:

If successful, you will be required to attend the conference online, to present and answer questions about your poster, to a live audience. The AASW will provide you a one hour dedicated session on Thursday November 11 (afternoon / evening) for this purpose (the exact time will be communicated to you prior to the conference). The audience will also be able to ask you questions during your presentation. Typically, your presentation should go for no more than 10 minutes (inclusive of questions), and you will repeat this six times. You will be required to pay and register for your attendance on Thursday November 11, (the AASW will communicate this procedure to you). You will be able to access earlybird pricing for this. You will be asked to provide a digital copy of the poster for inclusion on the broadcast platform.

Please submit your poster abstract via email to abstractsbrisbane2021@asw.asn.au using the provided template. Submissions will be accepted up until 11.59 PM (AEST) on Sunday October 3rd. Outcomes will be known and communicated to submitters by Sunday October 17th.
